

REMARKS

Claims 26-47, and 54-57 will be pending in the application if the Examiner enters the forgoing amendment.

In part 10 of the Office Action, the Examiner allowed claims 26-47 and 54-57.

In parts 4-7, the Examiner rejected claims 58 and 59 under 35 U.S.C. § 112 and § 101. In part 9 of the Office Action, the Examiner rejected claims 52 and 53 under § 102 as allegedly being anticipated by U.S. Patent 5,741,182 to Lipps et al.

Applicant has cancelled claims 52, 53, 58, and 59 without acquiescence, prejudice or disclaimer.

Entry of the amendment should not present new issues requiring further consideration because the amendment merely cancels claims.

If the Examiner has any questions, Applicant's representative can be reached at 703-684-4840.

Respectfully submitted,

Jerome D. Jackson
